NARRATIVE SECTION:

Please describe your status as an artist.

Artist will provide specific information about their status as an artist – what medium they work in, their exhibition experience, and, if applicable, their work as a teaching artist.

Describe your proposed activity that you will commence or continue at the Neela Asmaan residency. [500-1000 words]

Artist will propose, in detail, an activity they intend to initiate during their time at the residency. They may also describe an activity that they have already begun working on but intend to continue or complete at the residency.

Why is this particular activity important to achieving your goals? How will it advance your craft or business?

Artist must explain how their proposed activity will contribute to their long-term goals. They must detail how this activity will further their career or their skill.

How do you expect Neela Asmaan to contribute to your activity?

Artist will describe what they expect out of their experience at the Neela Asmaan residency. How do they expect it to add to their activity's progress?

**What kind of mentor do you expect to be paired with?**

Artist must not name mentors/artists that they wish to be paired with. They must describe what they expect the scope of the mentor may be, for example, an accomplished writer or a skilled architect.

Are you currently collaborating with another organization or partner for your proposed activity?

If an artist is intending to continue an activity that has already been initiated, they must specify if the activity is in collaboration with another artist or organization. Please name the organization if applicable.

Have you collaborated with another artist or organization in the past?

Artist must name and share details of all collaborative work they have been a part of in the past. They must share where and when the collaboration took place.

Has any of your work been publicly exhibited or published in the past?

If applicable, artist must detail where and when their work has been publicly exhibited/published.

Have you previously been a part of another artist residency?

If so, artist must provide details of their experience at the residency, when they were a part of it and where it was located. They must also describe the activity they worked while there.

**Have you previously travelled to Gilgit Baltistan?**

Artist may share when these travels took place and where in Gilgit Baltistan they travelled to.

Have you ever travelled on your own?

Artist must share where and when they travelled on each occasion that applies.

Have you ever lived alone?

Artist must describe the occasions they have lived by themselves and the duration.

Please provide the contact information of two references.

If applicable, one academic and one professional reference are preferred.
